Der Aufbau sollte auf einem ebenen und weichen Untergrund erfolgen
Verwenden Sie beispielsweise das Verpackungsmaterial zum Schutz vor Beschädigungen

The setup should be done on an even and soft floor
For example, use the carton packing material in order to avoid any damages

L'installation doit être effectuée sur un sol plat et protégé
Par exemple utilisez le carton d'emballage pour éviter des endommagements

Auszug mit dieser Fläche nach unten auf den Boden legen
Place the pullout on the floor with this surface facing downwards
Placez les glissières avec les 4 trous de fixation du plateau contre le sol

Die Verstellerschrauben zeigen immer nach rechts
The adjustment screws always point to the right
Les vis de réglage sont toujours orientées vers la droite

OUTDOOR LIVING SINCE 1947

Um das Ausziehen des Tisches zu erleichtern, können die auf der ausziehbaren Seite werkseitig vormontierten Höhenversteller gegen Rollen ausgetauscht werden.

In order to facilitate the extension of the table, the pre-assembled height adjusters can be replaced by wheels on the extendible side.

Pour faciliter la manœuvre d'extension, le sur-élévateur pré-assemblé peut être remplacé par des roues sur la partie mobile du pied de table.
